ERRATUM

Released: December 9, 2002

1. On November 8, 2002, a *Report and Order* ("R&O")¹, DA 02-3087, was released in this proceeding, allotting Channel 235C3 at Snyder, Texas, as requested by Charles Crawford. In response to a counterproposal filed by 21st Century Radio Venture, Inc. and Littlefield Broadcasting, the R&O substituted Channel 238C1 for Channel 238C3 at Littlefield, Texas, and reallocated the channel to Wolfforth, Texas. To accommodate the allotment at Wolfforth, Station KPER, Hobbs, New Mexico consented to the relocation of its transmitter site.

2. In the heading of the R&O, the rule making number for Snyder, Texas, was incorrectly listed. We amend the R&O to show RM Number 10142 in lieu of RM Number 10406.
